

Time To Dig || Pt.6: To Restore The Flow

3/08/26

Word of Life Family Church — 2026

“It’s time for a deeper, more purposeful flow rate. We are moving from trickling streams to a flood-time river’s flow of my power. **Time to dig!**

Like digging a well deep, to reach the purest water & the highest-velocity flow—

It’s *My flow!* But before I pour, you need to dig! **It’s time to prepare.**

Prepare for blockages & breakthroughs by confronting shortcomings and clearing debris— those soul-ruling obstacles, soul ties—even when it’s difficult.

Break up the ground!

Time to dig deep into My Word. Press into intensified prayer-time. This is not about personal rebuke; it’s about personal preparation, persistence, spiritual growth, and **Making Room!**

WE are Moving! Moving beyond surface-level faith, beyond what’s worked before, **Time To Pierce The Ground,**

There you’ll find My rushing river—My flood stage Water. The only water that will **quench** today’s thirst and **extinguish** tomorrow’s fiery arrows, This is the flow rate, the only rate to destroy the demonic assaults against you, your family, your inheritances, and legacies.

I Am Jehovah Nissi, the Lord your banner. These are My battle orders—your battle strategies, your victory banner. **Time to dig!**

I will fill the trenches. I will be in the trenches, while you dig. Be Strong, Be courageous. **I Am The Lord!**

This is the word of the Lord Almighty. **Shalom, shalom.**
